

Musikrätsel

Finde das Tier, indem tu alle Töne "c" und "a" markierst und am Ende verbindest.

Musikverein Unterlenningen

The image shows a musical puzzle consisting of seven staves of music in 4/4 time. A thick black line connects specific notes across the staves, forming a shape that resembles a cat's face. The notes connected are: the first note of the first staff (C4), the first note of the second staff (A3), the first note of the third staff (C4), the first note of the fourth staff (A3), the first note of the fifth staff (C4), the first note of the sixth staff (A3), and the first note of the seventh staff (C4). In the center of the puzzle, there is a simple line drawing of a cat's face, showing whiskers, a nose, and a mouth.

Richtig! Das gesuchte Tier ist die Katze!
